The Circulation of the DAILY

REACTION IN MENTICRY. Numbers of gentlemen, who have returned to this city from various parts of Kentucky within the last few days, bring us the most gratifying intelligence of the reaction which has recenly commenced to sweep over that State. We are reliably informed that Lincolnnew-born enthusiasm has suddenly seized upon Kentucky. the people, which promises to very soon con-

tion tyranny. regarded in its proper aspect as a myth and an fore we have any bing further from this ex- in Virginia that the supplies of Rosencranz impossibility; and the outrageous excesses of pedition. the Lincoln government are begining to open the eyes of all freemen who yet value their liberties and look to their perpetuation. A better day, we believe, is dawning upon the State of Books and CLAY.

POLICY.

As our readers are aware, we have always advocated a rigorous and uncompromising polwar of Yankee thuggery and vandalism. We the meeting. have expressed the opinion-and still hold to it, as alone consonant with the welfare and safety of our government-that conciliation with the Hon. John G. Davis, Thos. A. Hensuch men is simply tantamount to national sufelde, and that we should neither ask nor give | Guzelle admits that these meetings were "calthem quarter. Their spmpathies should determine their status, and not their accidental nativity upon the soil of Tennessee. They are alien enemies, and should so be characterized

ardent advocacy of secession in all its phases, the fact. is sheer folly. We had no right to anticipate that their prejudices in favor of the old Ameriperhaps well meaning opponents of the southern movement. Of these, many saw the error to have a salutary effect.

At this late day only, the light has commenced to dawn upon the people of East Tening and fearful does the reaction promise to be. The excesses of the Washington despotsavage vindictiveness and its bloody airoci-

But to secure this desirable end, it will be raised and sent forward to Virginia. necessary for us to encourage those who are now espousing our cause, and not taunt them with useless justs in regard to their alleged inand as the hour of victory is the hour of magnanimity, we should not take advantage of a rous explications. Let the original advocates of secession in East Tennessee only adopt this numbering over five hundred men. policy, and accommodate mere party fueds so as to have no standard of political orthodoxy ous and completely united.

THE HATTEBAN AFFAIR. We have no details as yet regarding Boywar vessels, and, as we have before mentioned,
